MEMORANDUM FOR: Director of Communications
THROUGH: Associate Deputy Director for Intelligence
FROM:
Chief, Analytic Support Group, DI
SUBJECT: Rotational Assignment in DI/ASG

STAT

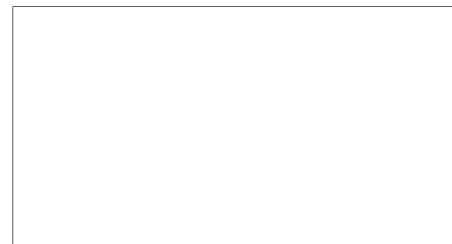

1. I would like to obtain a GS-13/14 officer on rotation to serve as the DI focal point for all communications requirements. The person would be slotted in ASG's Planning and Development Branch to ensure that our short-term communications requirements are consistent with our longer-term planning objectives.

2. We believe that such an arrangement, similar to one that we have had along these lines with ODP, will help greatly in developing a better formulation of our communications requirements. If acceptable to you, I would like to begin the arrangement as soon as a suitable candidate has been identified.

3. Please contact me on if you need any additional information.

STAT

I spoke with D/OC about this and he is amenable. I've also talked to [Redacted] and we are convinced that this is the best way to deal with our current fire drill over commo requirements.
